AWAKEN YOUR SENSE OF ADVENTURE
Immerse Yourself in the Full Flavors of Tuscany!

Combine your love for motorcycle riding with your passion for travel to intimately experience the full flavors of Tuscany. In an exclusive partnership between MotoCalifornia and TuscanDream Retreats, we present a vacation crafted around the world's best bikes, the most beautiful and scenic roads and one of Tuscany's most exclusive accommodations: Villa Gerlino.

Each day begins with breakfast cooked by our private chef before heading out to tour the Tuscan countryside on the world's best touring bikes.

Philosophy

A 360 DEGREE FULL IMMERSION

Here at MotoCalifornia, our mission is to make this experience unforgettable. Daily rides are between 150 - 250 miles and we return to the villa in time for a 20-minute massage and then cocktails by the Villa's pool to trade stories of your days adventure! For couples with non-riding partners, we offer a myriad ways to immerse yourself in the flavors of Tuscany, or just relax and unwind. You can enjoy poolside yoga classes or massages, or take a trip into Florence by private car to shop and see the amazing city!

Our all-inclusive pricing covers all daily rides limited to 6 riders, one free day to what you desire, your stay at the Villa, a private chef, all meals, gas, airport transportation and so much more.
